**Pioneer Valley Driving School, So Cool, Cool School,
Pioneer Valley Driving School, So Cool, School Cool.**

We're in Northampton, come by and see—
On King at the Plaza called Potpourri.
Take the bus, ride your bike, you can walk or run—
Safe defensive driving and mad, mad, fun.

We care about the earth just color us 'green'—
Student driver hybrids I'm sure you've seen.
Take driver's ed this summer, we have the best price,
And don't forget your chance to win an Apple device.

Learn with us in one week, or 2 or 3 or 4,
The very best instructors, no one can teach you more.
So round you right hand corners, your lefts should be an L—
We'll practice highway driving, and parking parallel.

Take your road test in the morning on a Saturday,
Refer your best friend and get ten dollars pay.
So if your age is fifteen years and nine months—
Call 341 3058 at once.
